## RUSSIAN JOURNAL OF NON-FERROUS METALS

PAGES  
RUSSIAN/ENGLISH

### Metallurgy of Non-Ferrous Metals

A study of the process of reclamation of sulfur-containing vapor-gas mixtures together with production of elemental sulfur. V. A. Vostrikov and N. M. Vostrikova .....	4	1
Kinetic laws of magnesium dissolution in acidic media. A. I. Begunov, S. A. Yakovlev, and A. A. Yakovleva .....	9	7

### Metallurgy of Less-Common and Precious Metals

Synthesis and certain properties of potassium fluoroscandates. Yu. V. Sokolova, R. N. Cherepanin, and T. B. Sagalova .....	40	11
Kinetics and mechanism of formation of ions of monovalent indium in the system $In^0-In_2(SO_4)_3-In_2SO_4$ . V. F. Kozin and A. A. Omel'chuk .....	45	17
Use of solid solutions of silver sulfate in anglesite in "dry" sulfating. Yu. I. Rubtsov .....	51	25
Systems approach technique to the kinetics of dissolution of metals. Yu. I. Rubtsov .....	55	30

### Physical Metallurgy and Heat Treatment

Influence of annealing the structure and mechanical properties of cold-rolled sheets of Al-Zr-alloys. N. A. Belov, A. N. Alabin, V. V. Istomin-Kastrovskii, and E. G. Stepanova .....	60	37
---	----	----

### Powder Materials and Coatings

A study of the formation of complex tungsten-cobalt carbides in dispersion of solid alloys. M. N. Putintseva .....	65	44
