## MOLECULAR GENETICS, MICROBIOLOGY, AND VIROLOGY

PAGE

### Review Articles

- Molecular genetic methods of identifying drug-resistant *Mycobacterium tuberculosis*. S. A. Dubilei, A. N. Ignatova, and I. G. Shemyakin . . . . . 1
- Toxins of cholera vibrios. E. V. Monakhova and R. V. Pisanova . . . . . 8

### Experimental Articles

- Resistance to fluoroquinolones among Russian isolates of *Neisseria gonorrhoeae*. V. A. Vereshchagin, E. N. Il'ina, M. V. Malakhova, V. M. Govorun, M. M. Zubkov, A. A. Kubanova, and S. V. Sidorenko . . . . . 22
- Cloning and expression of the zot (zonula occludens toxin) gene of *Vibrio cholerae* in *Escherichia coli*. R. V. Pisanov, E. K. Goncharov, E. V. Monakhova, L. P. Alekseeva, and B. N. Mishan'kin . . . . . 29
